

Thank you for participating in our Adult Summer Reading Program! This year's theme, *Tails & Tales*, offers artwork highlighting ocean animals that inspire visions of calm seas, warm beaches, and that rejuvenating “aaaahhhh” sensation of summer vacations. And after the year (year and a half?) we've all had, let's extend that “aaahhhh” with some literary renewal and reflection.

Want to play along? There are twelve prompts inviting you to expand your reading choices, add a little mindfulness to your days, and soak up some gratitude along with that sunshine. It only takes eight of them to complete the challenge, but you may want to do them all!

Instructions:

Download or request the challenge form and prompts. For each prompt you complete, fill in one of the seashells with the corresponding number and the title of the book read. If the task did not involve a specific book (there are a few in there), then please write in the date you completed the task. (See example →)

Keep going! **Each shell should be a different task and a different book.**

When all eight shells are filled, return the completed form to the library to receive a small gift **AND be entered for a chance to win a \$50 gift certificate to a local restaurant.**

So, dive into a good book and say, “Aaaaahhhhhh.”

Forms must be turned in to the library no later than August 28, 2021.
